

Session Report for 2014

As a congregation we had a pretty good year. Our numbers stayed about the same for attendance to Sunday Service. We actually have a few more attending this year. We had our annual codfish supper, it went well. Our roast beef supper in August was a major success, it seems to attract more “diners” every year. We must be doing something right.

We had our 4 regular communions this year; plus, we had an extra one. Rev. Murdo Marple was our guest Minister for a Sunday and (being a son of our congregation) asked to have communion on that day.

In July we had an Anniversary Service and our guest speaker that day was (another son of our congregation) Rev. Ian MacMillan. It just happened to also be his father’s birthday. After the service we had a lunch in our church hall to celebrate our anniversary and Bobby’s birthday. After the meal we had two calorie less cakes for dessert.

In November we had a lunch and time of fellowship for the congregation in the church hall after our service. This was enjoyed and even suggested we do it a couple of times during the year.

We had no new members joining the church this year; but, we are happy to have more people coming out to service on Sunday.

In 2014 we have had one baptism and two funerals (one was in 2015), the funerals were for two brothers and were both members of our congregation.

On behalf of the session and the congregation we were very fortunate and blessed with the leadership of Rev. Louis Ihasz as our minister. We will be very happy to keep him as long as we can. His shoes will be very hard to fill when he has had enough of us!!

My wish for everyone is; May God watch over you and your family, keeping you safe, well and happy.
