

## 175<sup>th</sup> Anniversary

Our congregation is the oldest continuing Presbyterian congregation in the Cape Breton Presbytery. In August 2010 we celebrated our 175<sup>th</sup> Anniversary of being a Congregation.

We opened the week with an Heritage service with special Guest, Rev Mary Ann Grant which included the “Kirking of the Tartans” and special Singers.

During the week we held our now famous Roast Beef Dinner which sold out!

The following Sunday we celebrated with special guest Rev Ian MacMillan. At that service we also had special music by the Middle River Choir and the Inspiration singers from Whitney Pier, and guest soloists.
